MEMORANDUM FOR THE DIRECTOR, THE JOINT STAFF

SUBJECT: Liaison Between Joint Intelligence Group
of Joint Staff and Central Intelligence
Agency

1. The proposal outlined in your memorandum of 24 November 1947, subject as above, is entirely acceptable to the Central Intelligence Agency.

2. It has been my opinion for quite some time that a representative(s) of the Central Intelligence Agency should attend meetings of the Joint Intelligence Committee dealing with intelligence estimates, and you may be assured that this Agency is prepared to lend every assistance within its capabilities to the Joint Staff and the Joint Intelligence Committee.

3. Upon receipt of information that the proposal in question has been approved by the Joint Chiefs of Staff, a qualified senior military representative of the Central Intelligence Agency, together with a suitable military assistant, will be designated as liaison between the Joint Intelligence Group of the Joint Staff and the Central Intelligence Agency.
